

GRÖNLUND & NISUNEN

Finnish artist duo TOMMI GRÖNLUND (b. 1967) and PETTERI NISUNEN (b. 1962) create sculptural installations and interventions in urban and natural environments. While using technology, sound and light as the primary material in their works, their art addresses issues of space and physical phenomena through the sophisticated installations that often play with physical laws of nature.

Selected Solo & Duo Shows
