

# MAITE Y MANUEL

A drawing on a sketchbook  
 a big rudimentary line drawing  
 come closer  
 see the dirt  
 you are looking at me  
 defects  
 spit out read spit out again fuck it up read  
 checkmate  
 indulge and suffer  
 wet dry wet dry wet dry  
 forget putting the lid on the pot of paint  
 sticky smooth wrinkly gelatinous smelly sexy  
 the greatest pleasures often come from the most  
 revolting things  
 a badly stretched canvas feels really good

rotten candy you find on the street a week after  
 halloween also plastic  
 i'm in love with plastic  
 paint today tomorrow it's ready  
 immediate cheap easy  
 it's the year 2025  
 i want to do something  
 i just want to  
 it's a waste of time to try to understand  
 you think my painting looks like a comic  
 guess what  
 i never read one  
 but i did watch a lot of tv  
 i don't know much about anything really  
 but i do know pleasure and feeling
